

BECAUSE FAILURE IS NOT AN OPTION®

LM308MWS

When you need the accuracy of a bolt-action marksman rifle,

but also the ability to unleash its force at a faster rate, make sure the LM308MWS is within reach. The British Ministry of Defence realized this, and after stringent evaluation of the Lewis Machine & Tool .308 MWS platform, that the LM308MWS was best suited for the British Sharpshooter in Afghanistan. Further, the .308 MWS has been type classified as the L129A1, BECAUSE FAILURE IS NOT AN OPTION®.
